Note :

Round off all scores to the next integer. Do not use any decimal value

P in the Status column indicates that the student has successfully completed the module.

T in the Status column indicates that the student has not cleared the **Theory** component of the module.

L in the Status column indicates that the student has not cleared the **Lab Exam** component of the module.

S in the Status column indicates that the student has not cleared the **Internal** component of the module.

F in the Status column indicates that the student has **FAILED**

A in any of the columns indicates that the student was **not present** for that part of the evaluation
